

## Sandra Ongwenyi – BIO

Sandra Ongwenyi holds a Bachelor of Commerce (B. Com), Finance and a Master of Arts (MA), in Project Planning and Management. She is a Project Management Professional with 9 years of international experience managing projects in the Banking, Public Sectors and pharmaceutical industry in the initiating, planning, executing, monitoring, evaluation, and closure process groups. Sandra is skilled in integrating knowledge areas of Scope, Time, Cost, Quality, Risk, Procurement and Stakeholder management. Her solid project management, finance and business knowledge skills prepare her to deliver high quality, timely and cost-effective data, and input in one or more multi-country projects from project feasibility through to implementation. She gains fulfillment from using her skills and knowledge in a team environment focused on excellence. Sandra strives to align her work and values to the heart of God. Her life is fully governed by the assurance that comes from knowing that nothing can separate her from the love of God. Besides being a mother to the most amazing three-year-old girl, Sandra's fulfillment comes from impacting lives through the opportunities that carry the promise of transforming lives. Sandra resides in Central New Jersey.
