JosiahKids is accepting applications into our Leadership through Service program for students ages 7 through 18. These sessions will offer hands-on service projects directed to meeting the needs of the poor and disadvantaged in our community. Quality professionals will serve as mentors and coaches to our Middle & High School students in areas critical to their transition from adolescence into young adulthood--through small groups, panel discussions, and one-on-one connections. Premier cooking classes at the Young Chefs Academy in Cumming will be offered to our Elementary school students during our coaching sessions.
