

Nicole Maldonado – BIO

Hi! My name is Nicole Maldonando.

I am originally from Puerto Rico but have lived in Florida for 16 years of my life. I moved to Georgia to go to ministry school and get my associates degree in general education. I love all things to do with dance. It has been a huge part of my life. I have been dancing since I was a freshman in high school. And through that I have gotten this amazing opportunity to teach students dance to which I am very great full. I can't wait to connect with the students and begin to teach them dance!
