

Daniella W. Boson - BIO

Daniella W. Boson is an agile Project Manager/Senior Executive Administrative Assistant leveraging 20+ years of expertise in the manufacturing, entertainment, and healthcare industries. Instills a people-first management approach to empower teams for optimal performance. Profound sense of integrity leading with high visibility, transparency, and amity.

My goal, my passion, is to assist, one who serves—instead of **commands**—and creates cultures that

challenge the "it's always been done this way" **mindset**, inspires innovation at all levels within organizations, and consider every perspective when tasked with moving the needle forward. Daniella's objective is to reduce the workload for executives and business owners while adding value to their everyday life; faster and more efficiently

making it easy to stay on track. Daniella's able to demonstrate her technical knowledge, collaboration, and ability to problem-solve, communicate, and exude critical thinking.

Daniella's servant leadership allows her to serve in media ministry, at The Berean Christian Church for over the past five years. Daniella also serves on the committee of Student Retention/Recruitment for Josiah Kids Inc. a nonprofit organization. Daniella has served as PTO Communication Coordinator for Greenforest Christian Academy. In my spare time, I enjoy spending time with my family, cooking, and DIY home projects.
